Hi Cristina and Marta

The requests I have are for 14 days from August 13 to 26, being those that were put back to October and that were the two weeks that were owed from 2017.

In addition to those 14 days that could not be taken in August, she took an additional week in October from October 1 to 7.

From what I've been able to read in an email on which I was copied, she completed her vacation time for 2018 with a week that you (Cristina) authorized for her from July 1 to 7, 2019. From that point I don't recall what happened. I know she had to return to Spain and postpone her vacations because she had to return to NY so Pablo could go to Chicago.

Please let me know if I can help with anything.

Regards

Teresa

Cristina,

Can you ask Terry to share with you the vacation time she actually did take in 2018? I know it to be the case that Marta reported not having been able to catch the plane because she was sick, and that she later asked to take those vacation days from October 8 to 21, but it doesn't seem normal to me for her not to have informed you in early 2019 that she did in fact have unused vacation days. If she had unused days, wouldn't it be logical for her to take them over Christmas 2018?

Vacation time can't be carried over in this way.

Regards

Marta

Yes, she was in fact hospitalized on the day she was due to catch the plane. I am aware that she sent an email explaining the situation to Marta. Ultimately she couldn't take it because they prohibited her from flying. I also remember that I reconfirmed with her that I had discussed it with you

I'm at your disposal for any questions you may have.

Hi Teresa

We have a discrepancy in the vacation days of Marta Bueno for 2018, and Marta Sanjurjo tells me I should ask you what medical situation arose in 2018 as a result of which Marta was unable to take her vacation time.

Thanks,

Good afternoon, Marta

Cristina tells me that I should send you an email explaining the issue of the unused vacation days. Here are the details:

2019 vacations = I have taken 26 days between August and Christmas, and I therefore have 4 unused days for 2019. With respect to that we are in agreement and the numbers are clear.

The discrepancy arises due to the week (7 days) I had approved in June 2019 that was canceled because Pablo left for Chicago and I returned to New York to cover for him in the hotel. That vacation week was confirmed and it belonged to the unused vacation days for 2018 I wasn't able to take because it was canceled.

The vacation days belonging to 2018 were as follows =

7 days from October 15 to 21, 2018 (that week was put back from August when I was unable to catch a flight due to a medical problem)

14 days from May 27 to June 9 (that second week was the one that got canceled)

July 1 to 4

I remain at your disposal for any questions you may have

Best regards
